

7th June 2017

Dear Sir / Madam,

Morland Panels, Morland Profiles and Morland Prefit.

Here at Morland we are continually looking at ways to improve our business processes to better serve our valued customers. As our Morland businesses continue to develop it has become apparent that there is an increasing amount of overlap between the business units and that this can cause unnecessary duplication for our customers where they are dealing with 2 or more of the business units. As a result of this we have decided to merge the Morland business units into one entity with effect from 1st July 2017. This new entity continues as a trading division of Newmor Group Ltd so the current Company registration number and registered office details remain unaltered.

Any purchase orders placed prior to this date will be automatically transferred over to the new name and all documentation from that point on will just carry the 'Morland' identity. Customers are able to maintain 3 separate Morland accounts on their systems following the merger if they so wish but it would be helpful if they could migrate to 1 account at their earliest convenience.

The new 'Morland' company will be using the following bank account going forward and we would appreciate it if you could update your records to make payments to this account from 1st July 2017:-

Account name = Morland
Account number = 90267503
Sort code = 207785
IBAN = GB92BARC20778590267503
Swift = BARCGB22

Please email remittances to: accounts@morland-uk.com

All the current bank accounts will remain operational during the transitional period but again it would be helpful if customers could use the above details for all payments at their earliest convenience.

Morland would like to thank you for your co-operation during this period. If you have any questions or concerns regarding this matter please raise them with your normal contact or by email to merger@morland-uk.com .

Alternatively, contact the accounts office at:
